Infinitamente

Limited Edition

The Infinitamente sculptural table represents the ongoing artistic research on marble begun by Roberto Lazzeroni with last year's highly successful "Infinito[∞]" table. Offered in a limited edition, the Infinitamente table is made entirely of marble (Bianco Levigliani for the top, Nero Marquina for the base), and showcases complex and careful workmanship. Infinitamente is available in two sizes, a more compact one with an oval top and single base, or a larger one with a staggered double oval top and double base. The inherent properties of marble mean that each piece has a unique visual appearance in terms of brightness, veins, and shades.

Il tavolo-scultura **Infinitamente** rappresenta la continuazione dello studio artistico sul marmo iniziata da **Roberto Lazzeroni** con il tavolo di grande successo dello scorso anno "Infinito". Proposto in edizione limitata, il tavolo **Infinitamente** è interamente realizzato in marmo (Bianco Levigliani per il top, Nero Marquinia per i basamenti), in una esaltazione della forma che si concretizza nella complessa e accurata lavorazione dei blocchi di marmo. **Infinitamente** è disponibile in due misure, più compatto con top a ovale e basamento singolo, oppure più imponente con piano a doppio ovale sfalsato e basamento doppio. Le proprietà intrinseche del marmo fanno sì che ogni esemplare abbia un aspetto unico nelle aree di luminosità, nelle venature e nelle sfumature cromatiche.

La table-sculpture **Infinitamente** constitue la continuation de l'étude artistique du marbre initiée par **Roberto Lazzeroni** avec la table à succès de l'année dernière «Infinito». Proposée en édition limitée, la table **Infinitamente** est entièrement réalisée en marbre (Blanc Levigliani pour le plan, Noir Marquinia pour les piétements), une exaltation de la forme qui se traduit par un travail des blocs de marbre complexe et méticuleux. **Infinitamente** est disponible dans deux tailles, une plus compacte avec le plan ovale et un piétement unique, une plus imposante avec un double plan ovale en porte-à-faux et un double piétement. Les propriétés intrinsèques du marbre font que chaque exemplaire a un aspect unique dans les zones de luminosité, dans les veines et dans les nuances de couleur.
